Fill in or make any necessary corrections to your name, address, etc.

1. On line 1, write in the total wages, salaries, tips, etc. from your W-2s, etc. Use the highest amount on your W-2-boxes 1, 3, 5, 16 & 18.
2. On line 2, write in the amount of taxable income or loss from your business or rental properties. If you sustained a loss in 2009 write the amount in brackets (<0.00>). Losses cannot be subtracted from your W-2 income. You must attach a copy of your Federal Schedule. If you have no rental or business income, write a zero on line 2.
3. Add lines 1 and 2 and write the total on line 3. Losses on line 2 should be treated as a zero amount.
4. Multiply line 3 by 0.01 (1%). Write the answer on line 4.
5. If any New Lexington tax was withheld from your pay (see boxes 19 and 20 of your W-2) write the amount on line 5A. If you have more than one W-2 add only the amounts from each W-2 withheld for New Lexington and write the total on line 5A.
6. If the locality listed in box 20 of your W-2 is anything other than New Lexington, you will need to figure the credit for each W-2 separately. Multiply the highest amount of wages on the W-2 by 0.005 (0.5%). If the answer is less than the amount stated in box 19 of the W-2, write the answer on a piece of scrap paper. If the answer is greater than the amount stated in box 19 of your W-2, write the amount from box 19 of your W-2 on a piece of scrap paper. Follow the above instructions for each W-2 if you have more than one. Write the total amounts for all the W-2s from your piece of scrap paper on line 5B.
7. On line 5C, write the total of lines 5A and 5B.
8. Subtract the amount on line 5C from the amount on line 4. Write the answer on line 6.
9. Payments and credits on line 7 apply to those people who had a credit carried forward from the previous tax year or made estimated payments toward their taxes. Please contact our office to verify the amount of your payments. Otherwise, write a zero on line 7.
10. Subtract line 7 from line 6. Write the answer on line 8.
11. If your return is being filed late you will owe a penalty, interest and a late fee. If your return is filed a month or any fraction of a month late (example: 1 day) you will still owe penalty and interest for an entire month. Multiply line 8 by 0.015 (1.5%). Multiply the answer by the number of months (fractions of months count as a full month) you are filing late. Write the answer on line 8A. Multiply line 8 by 0.005 (0.5%). Multiply the answer by the number of months (fractions of months count as a full month) you are filing late. Write the answer on line 8B. Fill in your late charge on line 8C according to the number of days you are filing late: 30 days or less = \$25, 31 to 90 days = \$50, 91 days or more = \$100.
12. Add lines 8, 8A, 8B & 8C. Write the total on line 8D. If the amount is negative write the number in brackets (example: <5>).
13. The amount on line 8D is the amount you owe the tax department. This amount is due no later than April 15, 2010. If payment is made late you will owe penalty, interest and a late fee and may be summoned to appear in Mayor's Court for failure to file and pay taxes. If you have an overpayment on line 8D (a negative number), complete lines 9A and 9B.
14. **Please note that any balance due that is less than \$1.00 need not be made. Any refund less than \$1.00 will not be issued. No refund will be issued until your return has been audited and we verify that all prior year returns have been filed and paid. If you are required to make estimated payments, your refund will be applied to your 1st quarter 2010 declaration and no check will be issued.**
15. Those people owing more than \$50.00 are required under city ordinance to fill out the bottom portion of the tax return labeled *Declaration of Estimated New Lexington Income Tax*. This will provide us the information needed to set up your Declaration so that you can make estimated payments throughout the year (quarterly) toward the next year's taxes. You are required to make these quarterly payments according to the due dates listed on the payment vouchers which will be mailed to you each quarter. Your first quarterly payment must be paid when you file your return.
16. Our office assumes that you will owe approximately the same amount of taxes in 2010 that you owed in 2009 (before applying your estimated payments, penalty, interest and late fee, if applicable). On line 10 of your return fill in the amount of 2009 tax due before estimated payments and prior year credits (from line 6 of your return).
17. On line 11 fill in any overpayment carried forward as a credit to 2010 (from line 9A of your return).
18. Subtract line 11 from line 10. Write your answer on line 12. This is your Declaration, an estimate of your 2010 tax liability.
19. You are required to pay one-fourth (1/4) of your 2010 Declaration (your first quarter 2010 payment) with your 2009 tax return. Multiply line 12 by 0.25 (25%). Write the answer on line 13.
20. Add lines 13 and 8D. This is your total tax due. Check or Money Order made payable to *New Lexington Tax Bureau* must be received by April 15, 2010 to avoid penalty, interest and late fee.
